

Additional Seminars

All seminars can be done either on-site at JR or off-site at your church. Contact us for further information.

Parent Seminars

Parent Seminars: 2 Tracks (each track is a 1 day seminar)
Can be done separately on different days

Track 1: How Jesus sees children, Different styles of parenting, How to be a godly Dad, How to be a godly Mother, Discipline in the home

Track 2: The different phases of Parenthood, the Wide-eyed wonder years, Engaging children to adulthood, Laying a foundation to adulthood, Disciplining into adulthood, Releasing for adulthood.

Sunday Services

JR also specializes in conducting Sunday Services, aimed at both the adults and the children. These services raise awareness of the importance of children's ministry in your church, how Jesus sees children and we motivate congregations to answer the call to minister to children.

On Site Praise Party

Jackson's Ridge can also conduct a Praise Party for your children's church. Praise parties help children to experience God and take them to a new level in their walk with Jesus.

Consulting

Sometimes you just need a little more than a one day seminar. JR will gladly assist you with moving your children's church forward. Following the initial visit, we can help you map out a way forward and we will consult with you on a weekly basis to help improve your service to the children. Call us so we can explain it further.

Children's Camps/Holiday Clubs

JR is happy to either be a guest speaker at your Camp or Club, or can help you conduct your own camp or holiday club by meeting together for a time leading up to your camp.

Royal Family Kids' Camps

Pure religion is when you take care of the orphans and widows. Royal Family Kids' Camps reaches out to children from hard places through a wonderful 5 day camping program. This camp will take place under your church leadership. Besides the incredible benefits it offers to the children, your church people will be given the opportunity to stand together and serve, sometimes in the hardest of circumstances.

Call us to find out more. Ask for Neville or Gail and we can explain how it all works.
